HERRINGBONE T&G

Herringbone is thought to have been arisen largely because of people are not satisfied with monotonous visual sense of normal wood flooring. At the beginning, it mainly be used for the decorations of wall. With the rising living standards, herringbone has gradually been widely used in living room, bedroom and so on, just like the normal wood flooring. Now, It is more widely be used in ground laid with its graceful curve, various functions and rich visual effects. When in a small place, herringbone will expand the visual tensity; When in a large place, herringbone will increase the costly sense. The match between herringbone and ordinary bar makes the perfect artistic effect.

WOODEN FLOOR UNDERLAY

Size 1m 10m=(10m2)
Thickness 3mm

Quality natural rubber,high density underlay
with integrated backing fleece
and aluminium vapour barrier

FEATURES

- Excellent heavy mass stability and stay-put qualities
- High impact sound insulation
- Reduces airborne noise
- Integral silver vapour barrier
- Will prolong the serviceable life of any floor covering

FITTING INSTRUCTIONS

- Ensure that the floor is clean, dry and free from dust
- Lay silver side down at right angle to the direction you plan to lay the floor covering
- The sides of each roll should butt up flush to the adjoining length and fit neatly around the room edge
- Use sharp knife or shears to ensure clean cut

DELIVERY & RETURN POLICY

Delivery Information

Please contact us to check we can deliver to your post code by calling us. The cost of delivery will depend on the weight of the flooring and distance from our Harlow warehouse. We endeavor to dispatch all orders received by 12pm, the same day. At the very latest this falls in to the following day. Please note that prices for postage do include packing time and material costs.

Delivery Times

Delivery times are between 8.00am to 4:30pm Monday to Friday. Unfortunately, we cannot offer you an estimated time of arrival as we use a pallet courier to deliver the goods. If there is the likelihood of delay or we are unable to fulfill an agreed delivery date, we will contact you in advance to discuss alternative options. Deliveries cannot be left outside in porches, garages or any other location. We have developed a very reliable carrier delivery service but it is possible due to unforeseen circumstances that an order may not reach its destination within the stated time frame, for this reason we strongly advise against booking installers until your goods have arrived as we cannot be held liable for any consequential loss.

Please ensure you check all your packages upon arrival. If you are unfortunate enough to receive damaged/missing goods, please ensure you make a note of it on the courier's paperwork and make us aware of any issues as soon as possible. Any claim for damaged goods cannot be made if it has not been signed for as damaged.

Returns

Our goal is for you to be completely satisfied with your purchase from FEDYKTRADE LTD. You may return any unopened, non-damaged, resalable items for exchange or refund within 14 days from date of purchase as long as stock is still available in store. Please inspect your flooring prior to installation. Once material is installed it will be deemed acceptable. No returns will be accepted after flooring has been installed.

After FEDYKTRADE LTD receives the product, please allow 5 working days to process the return, however processing times can vary. All returns will be verified to make sure that they are unopened, unused, and in resalable condition. Your refund will be provided by the same method you originally used to order the products. Please note delivery fees are not refundable once the order has shipped.

Any items returned without return authorization, including cancelled orders and refused shipments, are subject to a 20% restocking fee.

Cancellations

Orders cancelled prior to shipping can be cancelled without penalty. If you decide to cancel an order, please call our customer care specialists immediately at 0208 599 2625 or 07886 320 292. Hours are Monday-Friday 9:00 am to 4:30 pm, Saturday 9:00am to 1:00pm.

Once an order has been loaded and is on route to the shipping address, FEDYKTRADE LTD will charge all applicable shipping fees as part of the return. The customer is solely responsible for all outgoing and return shipping costs. Returns and cancellation cannot be accepted on special order products.

Any items returned without return authorization, including cancelled orders and refused shipments, are subject to a 20% restocking fee.

Refused Orders

DO NOT REFUSE ANY SHIPMENT. If your shipment arrives damaged, call our customer care centre at 0208 599 2625 or 07886 320 292 immediately for assistance with getting replacements sent to you.

If you refuse to accept an order, FEDYKTRADE LTD will charge all applicable shipping fees as part of the return. The customer is solely responsible for all outgoing and return shipping costs. Any items returned without return authorization, including cancelled orders and refused shipments, are subject to a 20% restocking fee.
